Presidential Ponderings

It's Cowboy Time!!!!

Wow, what a winter! Had plenty of time for reloading, now it's time for some shootin'. The range held up well for the winter and everything's in place to get this year rolling. Something new this year, Honeydipper is overseeing a new side match. It's fast draw using wax bullets, \$1 a shot or 6 for \$5. Let's see how fast you really are! Plus beginning in May we will also have speed pistol and rifle side matches. So make sure you bring plenty of ammo.

Don't forget that we now have level, graveled camp sites for you to use if you want to make a weekend out of it. If you're interested in one for the S-N-F and Ambush weekend let me know so we can reserve a spot for you.

Don't forget to look at either the SASS handbook or on the SASS website for your compliance to costuming requirements. SASS is really pushing for compliance with these requirement and we agree. It's part of the game. Just showing up in a pair of jeans, straw hat, cotton long sleeved shirt and a pair of work boots is not. So please try to "dress the part".

See ya at the Range!!

From the Deputy

IT'S GETTING CLOSE.

It's about time to start putting lead down range again. We opened the range on the 27th of March, and thanks to all the people that showed up to help get it opened up. They got a new roof on the Oakey Dokey Barn. It's been 11 years since the first roof was put on it. No caved in roofs over winter, thank God. Work is continuing on stage six, the inn/saloon will be done by June, I hope. I hope to get those loading and unloading tables built by the time the Ambush gets here. Had some medical problems this winter, the doctor asked me how long can I keep dodging bullets and keep going? Should have been down and out, but escaped twice so far. Hope to see a lot of people at the first match, because Chalkdust did a hell of a job changing the stages from Halloween to April Fools. I

would like people to remember that the way the club keeps running is through the support of the people that shoot there. So, keep buying those 50/50 tickets and coming to the all the matches. The more I get done at the range the less you have to do help on match day.

Thanks

PS. Have a lot of extra matches this year for the people that like to shoot.
