Presidential Ponderings

We're almost there! What a long winter. I feel like a bear coming out of hibernation, only I put weight on. And I'll be just as grumpy till we start shootin' at RJSS. The range made it through the big storm. We now have two new carpports up on the range for sun and rain protection. Deputy Keck oversaw changes to the Hotel as steps up the side were added to speed up the use of the upstairs. You will now go up the outside steps and down the inside steps.

The NRA's coming back to Pittsburgh at the end of the month. I plan to attend and you should too. Admission is free to members.

So get them saddle bags packed and get ready for a great shooting season!

From the Deputy

It starts the third weekend in April. The match will be a fun and easy match, but a match that promises a few surprises in it. There are improvements in the range, like two new pavilions up on the range, the club had two pavilions (12x20) put up on the range, one by bay #3 and another by the right side of the target barn, it can be used as a shelter to get out of the sun, or to get out of the rain, it may be used to stand under when shooting long range rifle. There will be steps up the left side of the Inn, so that when you shoot from the upstairs you don't have to go up the stairs from the inside like last year. This year you can go up the outside and wait outside the door and when it's your turn to shoot, just walk in, and when done shooting just walk down the inside steps to the unloading table. These are just some of the improvements that have been done to make the club a better place to spend a day having fun.

Registration Notes

Howdy All!

The winter is over spring is here (we hope), and another season begins for RJSS!

Mattie and I would like to remind ya all that shootin' starts April 16. Registration is from 8am to 9:15am. Please do your best to register by 9am. Most of the posses are already to go by then. The later you register, if you want to shoot with a certain posse or person, you can not be guaranteed your request. Sorry cowpokes, but when you're late we get behind and the shootin' starts late. Don't forget to try & get started a little early this first shoot, waivers have to be signed for this year. Ok, enuff of that stuff....

It was great to see everybody at the Winter Gathering on March 19. The food was great and the company was even better! We had a great time.

If you haven't joined RJSS for this year, applications are available in the Registration Office and online.

Don't forget to pick up an application for Ambush XIII. We have several people signed up already. Appalachia Annie has some great artwork planned, Col. Hays & Mattie are writing some great stories, Chuckwagon will treat us with a great BBQ and the Saturday night banquet at Laurel Mountain Inn. A reminder the date is SEPTEMBER 16, 17 & 18. All you folks that can't take the heat, here's your chance! More info coming...

We can't wait to see everybody, looking forward to a great season. Take care and remember: There's a little cowboy in all of us!

A few words from Meaner

Howdy everyone.

Spring is nearly here and that can mean only one thing. Time to start shootin'. I can't wait. Hope everyone has all their reloading done and is ready to go. Most of you have sent in your application for the year, but a few have not. If you want to be included in the directory for 2011 please get your app to me no later than the winter gathering. Surly Sal does a wonderful job getting those done for us but it does take some time. Also don't forget to renew your NRA membership through RJSS. If you aren't a member it would be an opportune time to join. There are great benefits for members and it is a good way to support legislation that protects our gun rights. Thanks for listening.
